Key Points

- We need everyone there for the team photo, so make sure you're on time for your scheduled shoot. Above is a copy of the teams scheduled picture time; these times coincide with your scheduled game time.
- Players & Coaches even if you do not want a team photo please be considerate of others on the team who do. Team photos only take about 5 mins to setup and take so please be on time and cordial while taking photos.
- We will only be photographing individuals for those who order them. Parents this means you must have your order form turned in at the time of the photo shoot to ensure that an individual photo is taken.
- Players, we ask that you please be dressed and ready 5 mins prior to your scheduled photo time. This is to ensure there will be enough time for all individual & team photos
- All photos that are paid for on Saturday, March 13th will be available for pick up at the front desk by playoffs on Saturday, March 27th.
- New this time around if you don't think you will be able to pick up your photos there will be an option to have your photos mailed to you for just a few extra dollars.
- Also on the back is a price list/order form for each player's parents. If more order forms are needed please see the front desk for more copies

Photos will be taken on the Red Rink. If you have any questions please contact Jessica at 720.220.1041 or jessvidal20@hotmail.com
